

Block Shoot

- 1. **Always** keep the firearm pointed in a safe direction.
- 2. **Always** keep your finger off the trigger until ready to fire.
- 3. **Always** keep the firearm unloaded until ready to use.
- 4. The range safety officer's decision is final on all matters involving the enforcement of these rules and on issues involving the safe operation of the firearms for the event.
- 5. Shotguns are not to be loaded until the shooter is at their respected shooting window with the muzzle point outside.
- 6. Only one shell shall be loaded at any time.
- 7. All shotguns must be managed in a safe manner at all times. All shotguns must be placed in the provided racks immediately upon entering the clubhouse. All guns must be carried in a safe position with the muzzle point up or down, but never level. Shotguns will remain on the racks until it's your turn to shoot. Cleaning of any shotguns shall be done in the upright position and inside the shooter staging area only.
- 8. All shooters under the age of 18 years old must be accompanied by a responsible adult to the shooting window.

Block Shoot

- 9. There is a signal light on the block shoot target house. RED light means DO NOT SHOOT. Unload your shotgun, await further instructions from the range officer. GREEN light means it is safe for you to fire.
- 10. DO NOT walk or drive around the building during a block shoot when cones or barricades are in place.

11. Your safety is our greatest concern; therefore, the range Officer may remove you from the firing line at any time they feel your actions are unsafe to you and or to others. You may be asked to leave the event. You will not be refunded the registration fees
