RE: Firearms Sales Policy

The East Berlin Fish And Game Association (“Association”) Board of Directors (“BoD”) has stated the following as it’s policy regarding firearms sales at Association events.

The Association does not engage in the sale of firearms at any events. However vendors at Association events may conduct firearms sales provided the terms and conditions identified below are met:

firearms dealers with current, valid Federal Firearms Licenses (FFL) provide their current FFL information on the vendor reservation form

or

vendors who are members of currently enjoined organizations such as Gun Owners of America, Virginia Citizens Defense League, Tennessee Firearms Association, etc. and who provide proof of organization membership prior to the event (attach proof to reservation form)

or

vendors who have a current agreement with a valid FFL holder to process firearm transfer transactions at the event and provide proof of that agreement (copy of agreement attached to application).

Any vendor found not to be in compliance with information provided on the Table Reservation Form will be asked to vacate the premises immediately and will not be allowed to return.

This policy is subject to revisions as firearms sales rules and regulations continue to evolve.
